Industry Recognition – Employers, Organizations, Sponsors

These and other local and national employers, industry organizations, and business sponsors value the knowledge and skills demonstrated by earning this certification.

Certified Industry Skills and Knowledge

This certification verifies the candidate has successfully achieved the following industry competencies:

Candidate will understand and demonstrate the personal traits that encourage productivity, quality work, self-initiative, and employability. Applies personal traits to all situations. Understand that these traits must be practiced and developed.

Candidate will understand and demonstrate how to search for and locate information for any given subject. Understand that finding information on a subject (research) is a fundamental part of everyday life and work, and that effective research skills enhance work and personal life.

Candidate will understand how to critically think and objectively analyze information.

Candidate will understand how to relate the analysis of information to different situations (problem solving).

Candidate will understand how to apply the decisions/results made from the analysis of information by effectively communicating those decisions/results to others, and work with others to achieve desired outcomes.
